

Georgia State University

10 Years of Progress
and More

Georgia State Strategic Plan

- **Goal 1** - Become a national model for undergraduate education where students from all backgrounds can achieve academic and career success
- **Goal 2** - Strengthen and grow the base of distinctive graduate and professional programs
- **Goal 3** - Become a leading public research university addressing challenging issues of the 21st century
- **Goal 4** - Be a leader in understanding the challenges of cities and developing solutions
- **Goal 5** - Achieve distinction in globalizing the university

10 Years of Progress

- Graduation and retention rates
- Degree conferrals
- Research
- Student housing and community
- National recognition
- Expanding campus
- Fundraising

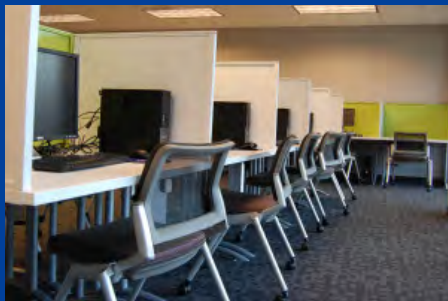

The GSU Student

- 32,800 students total
 - 25,300 undergraduates and 7,200 graduates
- Average freshman GPA: 3.4
- One of the most diverse student bodies in the nation
 - 36% white, 35% African-American, 15% Asian, 8% Hispanic
- 30% of all students are first in their families to attend college
- 55% of all students eligible for Pell Grants
- 4,100 students live on campus

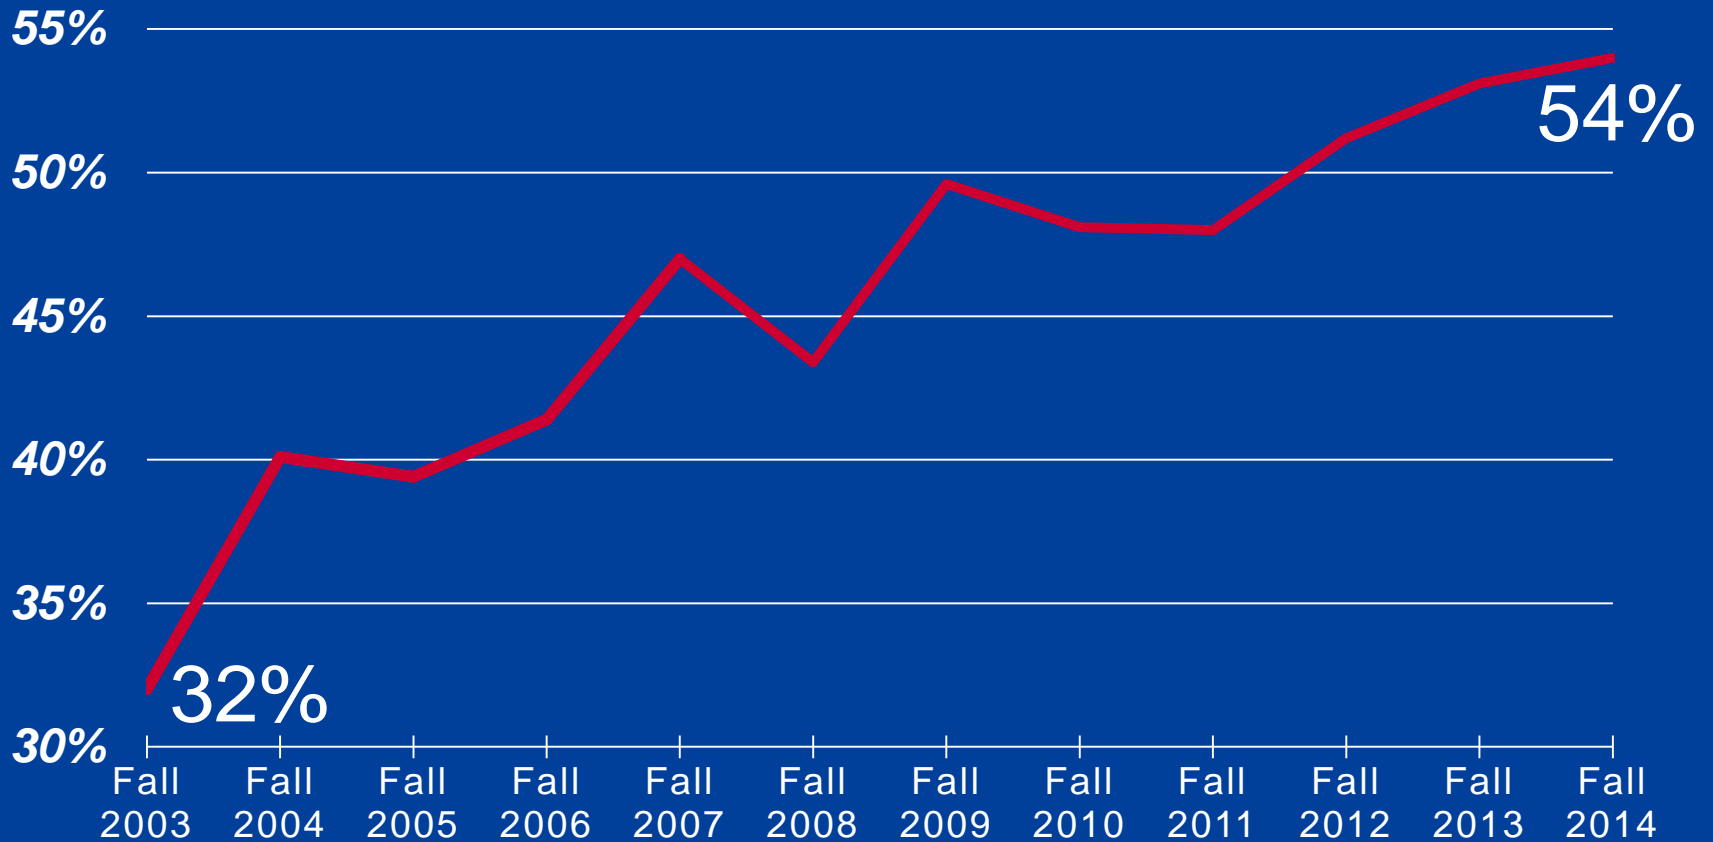

Honors College & Scholarships

- Enrolled its largest class, 280 students, in fall 2014
- Helped 2014 freshman class set a new school record for average GPA
- Increased merit scholarships helped to yield high-ability students
- Approximately 400 freshmen entered Georgia State this fall on merit scholarships

Future Plans

New residence hall

- To be located at the intersection of Piedmont and JW Dobbs avenues
- Restaurants and retail will be at street level
- 1,100 student beds
- 11 stories
- 24 hour dining facility
- Ground breaking April 2015

Future Plans

Georgia Perimeter College and Georgia State Consolidation

- Board of Regents decided to consolidate Georgia State and Georgia Perimeter College
- Combined student body of ~54,000 will be state's and one of the country's largest
- Downtown campus will retain research function and highly selective admissions
- Models such as Pennsylvania State University have campuses granting associate degrees and feeding students to main campus
- Target date for full implementation: August 2016
